Smart layout. Serious family function. 129 Sybil Circle delivers 2,495 sqft of practical, well-designed living in Whistle Bend. This 4-bedroom, 2.5-bath home offers an open-flow main floor with a mix of maple hardwood and character lino flooring, plus a cozy wood stove with built-in bench seating. The kitchen is built for real life--plenty of space for cooking, gathering, and everything in between. A laundry/utility room, 2pc bath, and sensible front and back entries round out a main level that just works. Upstairs features a spacious primary suite with walk-through closet and ensuite, three additional bedrooms, a full secondary bathroom, and a bonus second living area--ideal for a playroom, home office, or flex space. Outside, enjoy a south-facing fenced yard with concrete patio, covered front porch, heated garage, extended concrete driveway, and extra parking. 'Super Green' construction with R40 walls, R80 attic, and quad-pane windows. Energy-efficient, functional, and ready to go! (id:6769)
