

1292 Ethel Street Kelowna British Columbia

Kelowna North

\$1,049,000

This stunning home by award-winning builder Kimberley Homes redefines urban living. With over 2,000 sq.ft. of thoughtfully designed living space, this residence stands above the rest in its class. The main floor showcases a chef-inspired kitchen with custom cabinetry, quartz countertops, and a perfectly proportioned dining area and living room—ideal for both everyday living and entertaining. A versatile den/office on the main can easily serve as a 4th bedroom, adding flexibility to suit your needs. Upstairs, you'll find three full-sized bedrooms including an impressive Primary Suite with a spa-like 5-piece ensuite. A second full bathroom and a conveniently located laundry room complete the upper level. Cap it all off with the rooftop patio—engineered/wired for a hot tub and plumbed for an outdoor kitchen and offering panoramic 360 degree; views of Kelowna and surrounding hillsides. This space is made to impress. Additional features: * 5' crawl space for ample storage * Detached garage * Fully irrigated and fenced yard—perfect for kids or pets * Premium location steps from the Cawston and Ethel St bike corridors * A wall of storage options upon entry into the home including a seated area with 5 individual cubbies Live within easy walking or biking distance to downtown beaches, restaurants, breweries, and Kelowna's cultural district. This home is a seamless blend of luxury ...
