

Whitehorse Yukon

\$749,900

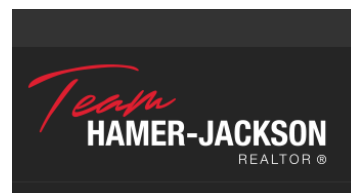

Welcome to this well-maintained 3-bedroom home with a flexible den, offering bright living spaces and excellent garage and workshop space. The main floor features vaulted ceilings, an open-concept kitchen and living area, and a west-facing 12' x 14' deck. Two bedrooms are located upstairs, including a primary bedroom with a walk-in closet and access to the full bathroom. The fully finished lower level offers a spacious rec room, oversized third bedroom, custom-tiled bathroom with 6' jet tub, and a den that could serve as a fourth bedroom or office. Outside, enjoy a landscaped and fenced yard, greenhouse, paved driveway, single attached garage, and impressive 26' x 24' detached double garage/shop. Heated by a 2018 propane furnace, with additional propane heaters in the shops. A great opportunity for buyers looking for a well-kept home with plenty of space for vehicles, hobbies, and storage.
