Some homes make you compromise. More space usually means more maintenance. A great location often means giving up a yard. Finding room for your vehicles, hobbies, pets, and everyday life? That's where the search usually gets difficult. This home changes that. Located in Willowbrook Terrace, one of Armstrong's most sought-after townhouse communities, this end-unit home delivers the space and flexibility that make life easier. The bright open-concept main level connects the kitchen, dining, and living areas, while direct access to the fully fenced backyard makes it perfect for kids, pets, and outdoor living. A convenient powder room completes the level. Upstairs, all three bedrooms are thoughtfully located alongside the laundry room. The primary bedroom features vaulted ceilings, a walk-in closet, and a private 3-piece ensuite, while two additional bedrooms and a full bathroom provide room to grow. The oversized double garage offers a unique bonus: an extended flex space complete with its own 2-piece bathroom. Workshop, gym, toy storage, hobby room, or future media room—the choice is yours. Set within a well-maintained community where pride of ownership shines, you'll enjoy the comfort of a safe neighbourhood, nearby parks and schools, and all the charm that makes Armstrong such a wonderful place to call home. The best homes don't just fit your life today—they make tomorrow ...
