

1306 Black Mountain Crescent Kelowna British Columbia

Black Mountain

\$1,388,000

Nestled in the rolling hills of Black Mountain, this solidly built custom home offers both style and substance. With high-end finishes and an abundance of built-in cabinetry, the home exudes quality craftsmanship. The living room features soaring vaulted ceilings and large windows that flood the space with natural light, while the spacious kitchen is ideal for entertaining. A bright, folding window connects the kitchen to a granite bar, perfect for enjoying summer poolside days. The primary bedroom is a serene retreat, complete with custom-built cabinetry, a walk-out to the pool, and a stylish ensuite with a walk-in closet. An office sits off the front entrance, leading up a handsome staircase to the upper floor, which offers a cozy sitting area, two bedrooms, and a full bathroom. The basement is designed for entertaining, featuring a pool table, a comfortable family room, a bar, and a wine room. There are also two additional bedrooms and another full bathroom. Outside, the private backyard is an oasis, with a gazebo, hot tub, heated pool, covered sitting area, and a lounge space for outdoor relaxation. The garage is equipped with a workshop that includes 220 power, and accent lighting throughout the yard enhances the ambiance. You are encouraged to take the virtual tour in the attachment to get a better sense of the property. (id:6769)
