Welcome to Stargaze Ranch, a breathtaking 9.88-acre rural sanctuary offering an unparalleled blend of luxury, technology, and natural beauty. This sprawling estate boasts an extraordinary 8,894 square foot custom-built home by Nesbitt Design, meticulously crafted to provide the utmost in comfort and convenience. The main residence is a masterpiece of modern living, featuring an astronomical observatory with a state-of-the-art 16-inch Schmidt-Cassegrain telescope (Celestron LA). The observatory's fully rotating dome allows for unobstructed celestial views. Inside, every high-tech feature imaginable has been integrated, from a commercial-grade water system and Lutron lighting controls to GPS-controlled clocks on the garage cupola and automated security gates. Outdoor living is perfect for entertaining or relaxation, with an outdoor kitchen, hot tub, and radiant patio heaters ensuring year-round comfort. There is also an oversized triple garage, a separate shop and a large barn. Fenced areas allow for raising turkeys, chicks, and hens, complete with a hen house and additional storage shed. The separate office building on the property offers a reception area, laboratory, common area ideal for collaborative work, a small kitchen, bathroom, two offices, and a conference room for meetings and presentations.
