

13074 Lake Hill Drive Lake Country British Columbia

Lake Country North West

\$1,100,000

Welcome to the kind of home that checks every box for growing families-- especially the rare ones. Situated on a large corner lot in a quiet, community-oriented neighbourhood, this 5-bed, 4-bath home offers nearly 3,000 sq ft of bright, functional living space and a legal suite to help offset the mortgage (or house the in-laws without sacrificing sanity). The open-concept kitchen, living, and dining area flows seamlessly out to a covered patio--perfect for backyard BBQs while kids and pets run free in the private fenced yard. Upstairs offers plenty of room to grow, while downstairs provides flexibility with a suite that's fully legal and ready for tenants or family. Tucked into a peaceful pocket with minimal traffic, yet just minutes from schools, trails, wineries, shopping, and beaches, this location blends lifestyle and convenience with ease. Space, flexibility, and a little mortgage help? That's a win for the whole family. (id:6769)
