

131 Skyland Drive Kelowna British Columbia

Wilden

\$1,899,800

This exceptional home blends luxury design with resort-style living. The main level features cork flooring and dramatic 18-ft vaulted bleached wood ceilings, as well as a cozy gas fireplace and electric blinds throughout. The dining room is wrapped in windows on three sides, offering beautiful views of the pool, while the chef's kitchen boasts quartz and granite counters, JennAir appliances, a 36" gas range, and a walk-in pantry. Step through the folding glass doors to the incredible outdoor space with a covered patio, built-in BBQ, water misters, gas fire pit, POOL, and synthetic lawn with putting green—perfect for entertaining. A functional mudroom off garage includes a sink, bench, and hooks, while the convenient full bath with exterior access and change area is perfect for pool guests. Upstairs, the primary suite features a private mountain-view deck overlooking the pool, a walk-in closet, and a spa-inspired ensuite with dual sinks, heated floors, water closet, and a shower with bench and body jets. Two additional bedrooms and a full bath complete the level. The lower level includes a theatre room with raised seating, 9.1 surround sound, 3D projector, and equipment closet, plus a gym behind barn doors, another bedroom with large window, and a full bath with glass and tile shower. Enjoy geothermal heating and cooling, the oversized garage offers two bays extended to 29'...
