

1325 Steele Road Kelowna British Columbia

Upper Mission

\$1,089,900

Welcome to 1325 Steele Road - this modern custom-built home offers over 2,500 sqft of thoughtfully designed living space with 4 bedrooms, 3 full bathrooms and 2 garages!!!!. The bright, open layout features a neutral colour palette and large windows that fill the home with natural light. Located by the new Upper Mission Shopping Centre, this home combines convenience with comfort in one of Kelowna's most desirable neighbourhoods. This functional layout includes a separate basement entrance, offering excellent suite potential for extended family or mortgage helper! Outside, enjoy a private, fully fenced backyard with green space - perfect for kids, pets, or relaxing in the Okanagan sun. Loads of parking and storage space with a single-car attached garage as well as a detached double garage. Stylish, practical, and ideally located, this is a fantastic opportunity to own in the sought-after Upper Mission! The primary garage measures 12' x 21 and the second detached garage measures 18'11" x 19'10" (id:6769)
