

13265 Apex Drive Lake Country British Columbia

Lake Country North West

\$1,279,000

An outdoor enthusiast's dream with hundreds of kilometres of riding and hiking trails directly across the road--then come home to your own pool and hot tub. This beautifully maintained 6 bed, 4 bath home in The Lakes offers 3,675 sqft of updated living space, including a 500+ sqft suspended slab bonus room. Built in 2009 on a 0.22 acre lot, it features fresh paint, new flooring, quartz counters, custom cabinetry, a dual sided gas fireplace, and a modern kitchen with new appliances and an induction cooktop. Comfort is enhanced by 3 zone heating/cooling, a newer furnace, and a newer hot water tank. A fully legal 1 bedroom suite--with its own kitchen, laundry, and sound insulation--provides excellent income potential; similar suites rent for approx. \$1,600/month. The spacious primary suite includes a walk in closet, soaker tub, and a walk in shower with dual heads. Outdoor living excels with two Duradek decks: one covered for shade and fireside evenings, the other ideal for sun, pool time, and the hot tub. The newly landscaped yard offers fruit trees, raised beds, in ground sprinklers, a fire pit with woodshed, a powered outdoor bar, privacy fencing, and extensive storage. An above ground pool with deck, a 25' x 24' garage, 50' RV parking, and space for 10+ vehicles complete this exceptional Lake Country package. (id:6769)
