

Whitehorse Yukon

\$769,900

Beautiful 3-level split family home on greenbelt with direct access to Riverdale trails from the backyard! This custom designed home provides a unique and practical layout. All 3 bedrooms are on the top level with the primary bedroom offering a walk-in closet and 3-pc ensuite. The open concept main level boasts large picture windows, vaulted ceiling, and a spacious kitchen with quartz counters & S/S appliances. The massive family room in the basement features a newer wood stove and plenty of storage. Recent renovations include a large entrance/mudroom with built-in shelving and storage as well as a rear den/office space. This home has an attached garage plus a fenced & landscaped yard. Upgrades in recent years include triple pane windows, wood stove, kitchen, propane furnace and more. This package is a must see! (id:6769)
