

## 137 caribou Point Osoyoos British Columbia

Osoyoos Rural

**\$889,000**

Welcome to Anarchist Mountain where natural beauty and architectural craftsmanship meet in a peaceful and quiet atmosphere. Just 15 km from the charming town of Osoyoos, this rare European-style custom dovetail log home is set on 2.5 South facing private acres with breathtaking meadow and mountain views. Designed with timeless appeal and quality in mind, this unique residence features vaulted ceilings, exposed beams, and large picture windows that flood the interior with natural light and warmth. Front covered porch helps keep cooler in the summer. The open-concept layout is anchored by a stunning double-sided wood-burning fireplace, and radiant in-floor heating ensures year-round comfort. A potential primary bedroom on the main floor adds flexibility to the thoughtful layout. A spacious, heated three-car garage includes a fully self-contained 450 sq ft carriage suite above with kitchenette, ideal for guests, a private office space or rental income. Outside, enjoy a hot tub overlooking a professionally landscaped yard complete with a fire pit, stonework, and native wildflowers. Additional features include a high-producing well, underground power, and proximity to Mt. Baldy, perfect for hiking, cycling, snowshoeing, and cross-country skiing. This one-of-a-kind mountain retreat offers peace, privacy, and endless opportunities for outdoor living. A true must-see. (id:6769)
