This beautifully updated split-level home blends classic charm with modern efficiency in a quiet, family-friendly neighbourhood. The bright, open-concept kitchen features clean white cabinetry, subway tile backsplash, butcher block-style counters, a stainless steel topped island, and quality appliances—ideal for everyday living and entertaining. The living room is warm and inviting with large windows and a striking feature wall with gas fireplace. Both bathrooms have been fully renovated with elegant tile work and contemporary fixtures. Practical updates include 200-amp electrical service, a high-efficiency furnace, central air conditioning, hot water on demand, and newer front and basement entry doors. Four windows have recently been replaced, and the roof is just five years old. The former carport is now a fully enclosed garage, adding secure storage and convenience.
