Enjoy panoramic views of the city, valley, and Okanagan Lake from both covered decks. Located in the sought-after Hawk's Landing community, this beautifully maintained level-entry walk-out town home offers a quiet setting, wonderful neighbors, no age restrictions, and pet-friendly bylaws. Designed for easy main-floor living; the bright open-concept layout features the kitchen, dining and living areas, spacious primary & guest bedroom with new plush carpet, ensuite & full bath, and convenient main-floor laundry. Fresh modern paint throughout makes this home truly move-in ready. The walk-out lower level offers a large family room, third bedroom, full bath, and a sound-insulated den/media room--ideal for a home theatre, office, gym, or hobby space--with access to the covered lower deck and those spectacular views. A rare bonus is the solid 6-inch concrete party wall between units, providing exceptional sound separation and privacy--superior construction seldom found in newer town home developments. Additional features include generous storage, a double-car garage, and a full driveway for extra parking. Conveniently located just minutes from downtown, schools, shopping, parks, recreation, and transit. Beautifully updated, exceptionally quiet, and offering panoramic views you'll never tire of--this is Okanagan living at its finest. (id:6769)
