This is not your typical park home. Welcome to a beautifully re-imagined residence tucked away on a quiet no-thru road within a desirable 19+ section of the park. Extensively renovated with final touches still being completed, this home offers a fresh, modern living experience in a peaceful, well-established community. Inside, you'll find a bright and inviting interior featuring vaulted ceilings, new drywall throughout, and sleek LED lighting that enhances the clean, contemporary aesthetic. The main living is a true focal point, highlighted by marble countertops, a custom mini wet bar, and a main living space designed for both everyday living and entertaining. The exterior has been fully refreshed to match the modern interior, creating strong curb appeal and a move-in-ready feel. Electrical upgrades have been professionally completed with permits in place and finalized with a new Silver Label. Located in a park that is actively undergoing transformation, with many homes being rebuilt and upgraded, this is an excellent opportunity to secure a beautifully renovated home before values continue to rise. Quiet, age-restricted living with a modern twist--this one stands out. (id:6769)
