Welcome to "The Lakeside Residences," a well-kept bare land strata community offering easy, low-maintenance lake living. This three-bedroom, three-bathroom walk-up stands out as one of the best value opportunities in the complex, complete with access to a shared dock, sandy beach, swim area, and a private boat slip, making it simple to enjoy the Okanagan lifestyle, with the ability to walk your kayak or paddleboard right down to the water. The home offers a functional, open-concept layout with hardwood floors, a gas fireplace, and a spacious kitchen featuring stainless steel appliances and an oversized L-shaped island. The main living area opens onto a generous front deck with a lake view. Upstairs, you'll find two primary bedrooms, each with its own ensuite, including a larger suite with vaulted ceilings and a private balcony. Outside, the fully landscaped yard includes a brick patio, green space, and partial fencing, ideal for relaxing or entertaining. An oversized double garage and additional driveway parking add to the home's practicality. With strata handling yard maintenance and snow removal, this is a great option for those seeking a lock-and-leave lifestyle. Located just minutes from Vernon's downtown, schools, and golf, this home offers a solid blend of comfort, convenience, and access to the lake. (id:6769)
