

Whitehorse South Yukon

\$1,499,900

Introducing a luxurious waterfront property nestled on 0.7 acres, just 25 minutes from Whitehorse. This exceptional 4000 sq. ft. home boasts a single-level layout highlighted by a stunning kitchen (2017) featuring top-tier amenities including a panel-matched fridge/freezer, steam oven, 6-burner propane stove, wine cooler, and vaulted ceilings. Offering two spacious living rooms and two incredible bedrooms. The primary suite includes a cozy propane fireplace, a connected home office and workout area, a lavish ensuite with heated floors, a steam shower, a sauna, and a dream-worthy walk-in closet. The second bedroom, located at the opposite end of the home, enjoys its own private bathroom. Key features include endless lake and mountain views, an outdoor kitchen, a post-and-beam living area with acrylic windscreen and propane fireplace, a rock retaining wall, and a triple-car garage with loft space. This property epitomizes elegant waterfront living with extravagant comfort. (id:6769)
