\$650,000

RE/MAX Kelowna
100-1553 Harvey Avenue
Kelowna, BC,
Canada

This newly built home has over 2000 sq ft of living space which includes both a den on the main floor as well as a spacious bonus room upstairs! The dining room features a beautiful open to below area and the great room has been upgraded to include an electric fireplace. Upstairs your primary bedroom has a 5-piece ensuite, large walk-in closet with access to the laundry room. Photos are representative. (id:6769)
