

1115 HOLDEN Road 141 Penticton British Columbia

Columbia/Duncan

$650,000

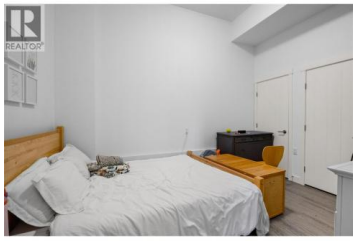

One of the most desirable layouts in Sendero Gate. Built in 2017, this 3 bed, 3 bath, 1,830 sq ft townhome has a fenced yard off the main floor, with a back gate that opens right onto the park and trail network. Inside, 9-ft ceilings run over an open kitchen, dining and living space. The kitchen is built for use: quartz counters, a large island, stainless appliances and soft-close cabinetry. Upstairs keeps the bedrooms and laundry on one floor. The primary has a walk-in closet and an ensuite with double sinks and a walk-in shower, and two more bedrooms share a 4-piece bath. On the entry level, a bonus room flexes as an office, gym, den or playroom. The double garage has 12-ft ceilings, leaving real room for storage racks, a workbench or bikes and boards. Central air. Pets allowed with restrictions, rentals permitted, no age restrictions. A rare combination of space, storage and backyard access in a neighborhood built around parks, trails and schools: a private playground, Columbia Elementary and the Upper Carmi trails are all nearby, with downtown Penticton minutes away.
