Fantastic opportunity in Coldwater Terrace! This detached home offers 4 bedrooms, 3 bathrooms, a double garage and a small, manageable fenced yard -- perfect for those who want the space of a home without spending their weekends maintaining a big yard. Conveniently located near the entrance of the complex, it's just steps from visitor parking and a large green space that feels like an extension of the yard without the upkeep. The main floor features hardwood flooring and a bright, open living space with a gas fireplace, built-in shelving and access to the back deck with a natural gas BBQ hookup and fenced yard.
