

142 Red Sky Court Kelowna British Columbia

Wilden

\$4,189,000

Located in one of Kelowna's most desirable neighborhoods, this property captures 180-degree panoramic views of the lake and mountains. Set on a quiet cul-de-sac, it offers rare privacy while remaining just minutes from downtown, wineries, golf, restaurants, and all the best of Okanagan living. The open-concept main level seamlessly connects indoor and outdoor living. A chef's kitchen, designed by Carolyn Walsh, features a Thermador six burner range, two panelled fridges and dishwashers, a panelled freezer along with a striking two-tone island. A new working pantry and custom wine room elevate the home's entertaining potential. Two primary suites provide private retreats with spectacular lake views. The main-level suite includes a fireplace sitting area and spa-inspired ensuite with a curbless steam shower. The lower-level suite mirrors the same luxury finishes, offering flexibility for guests or family. Designed for entertaining, the lower level also boasts a twelve seat theatre, wet bar, and recreation space, with a separate entrance for guests. Lower level radiant in-floor heating keeps every space warm and inviting. Resort-style outdoor living awaits with a saltwater pool, pool bath, artificial turf yard, and an outdoor kitchen - ideal for summer gatherings. Combining luxury, functionality, and effortless living, this home also grants direct access to Knox Mountain Park a...
