This home is definitely one of a kind! The outdoor space on this home is probably the best you will find around, with a 2-tiered deck and very private firepit area, this home backs on to greenspace on two sides and has a fully fenced yard. Inside there have been a ton of updates throughout, the main living space is a huge open concept kitchen / living / dining area with a patio door to the back deck. The huge master suite has a gigantic walk-in closet and beautiful 4-piece ensuite bathroom. Another generous bedroom and 4-piece bathroom finish off the main floor.
