This exquisite 4 bedroom, former Gable Showhome boasts stunning French Provincial decor, offering a perfect blend of elegance & comfort. The exquisite spiral staircase exudes architectural style when you enter the foyer. A formal living room & dining room, plus office, & family room make this a desirable traditional layout, rarely found in some of today's homes. The spacious kitchen & family room with fireplace make the heart of the home warm & welcoming. Plus a main floor bonus room off the kitchen offers lots of options to function as whatever your heart desires. The upper floor has 4 large bedrooms, plus a beautiful library with front facing balcony. A fully finished basement adds lots of space for extra enjoyment, games, plus a huge storage room. Notable features: Metal tile roof, Central AC, Newer Hi-Eff furnace & Air Exchanger, Newer HW tank, Central Vac, Speaker system. Fridge & Dishwasher newer. (id:6769)
