

Whitehorse Yukon

\$889,900

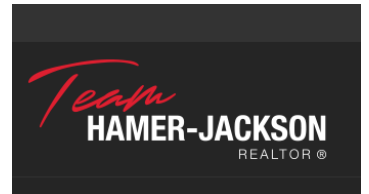

Built to capture some of Whitehorse's most breathtaking views, this beautifully updated home offers privacy, all-day sunshine, and an exceptional layout designed for both everyday living and entertaining. Nestled beside greenspace with only one neighbouring property, you'll enjoy direct trail access and a peaceful setting while remaining close to city amenities. Extensively upgraded throughout, the home features fresh paint, modern lighting, updated windows, and a Solvest solar panel system for added efficiency and sustainability. The bright open-concept living area is flooded with natural light, while a dedicated home office makes working from home effortless. The spacious primary retreat includes a walk-in closet and ensuite with a soaker tub, and the versatile lower level offers additional space for a gym, theatre room, studio, or storage. Outside, you'll find multiple decks, abundant parking, incredible sun exposure, and a private setting that truly showcases Yukon living! (id:6769)
