Sun Rivers

\$949,000

The View. The Location. The Lifestyle. Perched above the 10th fairway in one of Sun Rivers' most sought-after communities, this beautifully upgraded 4-bedroom + den, 3-bathroom rancher walkout offers nearly 2,900 sq.ft. of finished living space and breathtaking panoramic views of the South Thompson River Valley, golf course, and surrounding mountains. Designed to maximize natural light and showcase the spectacular setting, the open-concept main floor features expansive windows, quartz countertops, stainless steel appliances, upgraded lighting, and a large island perfect for gathering with family and friends. Step onto the covered deck and enjoy a front-row seat to some of the best views in Sun Rivers. The main-floor primary retreat features a walk-in closet and a spa-inspired ensuite complete with heated floors, skylight, and a custom walk-in shower. A second bedroom, full bathroom, laundry room, and dedicated den provide exceptional functionality on the main level. The fully finished walkout basement offers two additional bedrooms, a full bathroom, a spacious family room with gas fireplace, generous storage, and direct access to the covered patio and private hot tub. Additional highlights include central air conditioning, heated bathroom floors, double garage, numerous upgrades throughout, and vacant possession available for a quick move.
