

1449 Cabernet Way West Kelowna British Columbia

Lakeview Heights

\$1,639,000

Cabernet Estates offers luxurious lakeview paired villas that are thoughtfully designed with high-end finishes and smart, functional layouts. Nearly 3,000 square feet of living space is arranged in a traditional two-story floorplan. Ownership is freehold, meaning there are no strata fees or associations. Every home features premium interior finishes, chef-inspired kitchens with Miele appliances, spa-like bathrooms with heated floors, and advanced mechanical systems for year-round comfort. Designed with exceptional soundproofing, achieving a Sound Transmission Class (STC) rating of 66+ on the single common wall, they provide a tranquil living environment. The main level features a spacious great room, perfect for entertaining friends and creating lasting memories with family. Enjoy a fully fenced backyard along with the first of three covered outdoor living spaces. The upper level boasts unobstructed lakeviews from the primary suite and the versatile recreation room with a covered deck. Additionally, you have the flexibility to choose your upper level layout, either two primary suites and one bedroom or one primary suite with two equally sized bedrooms. Customization options include screened outdoor living spaces, elevators, wine displays or wine bars, EV chargers, solar panels, and, depending on lot size, an inground pool and putting green to enhance your backyard retreat.
