

Weyburn Saskatchewan

\$749,000

SASK MLS®

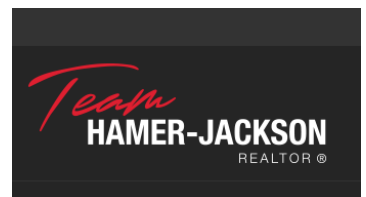

This large and unique home not only brings you elegance but privacy for your family, that is hard to find in a city setting. This home is just over 2300 sq ft on the main floor plus 2 - 3 season sun/sitting rooms that are very relaxing for that first cup of coffee in the morning or time for a good read in the evening. On the main floor are 2 bedrooms, with the primary bedroom that is large, a spacious ensuite and large walk in closet. The kitchen, dining room and living room all flow together and is very appealing for any family setting. There are 2 bath rooms, one being a full 4 piece next to the second bedroom plus a 2 piece near the main floor laundry room. The laundry room area also acts as a direct entrance for the large 2 car attached garage. The basement is fully developed also with a very large family room, 2 great sized bedrooms, office area as well as a 3 piece bathroom. There is a direct entrance from the basement into the garage for an added convenience. There is a large deck off the sitting to the back of the property with a fenced yard setting. Book your personal viewing to fully take in this great home and property. (id:6769)
