

1475 8TH Place Valemount British Columbia
\$499,900

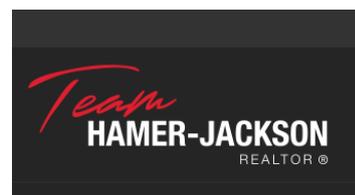

Beautiful 4-bdrm, 2-bthrm family home offering convenience & exceptional potential. This spacious rancher features warm hardwood flooring throughout & an inviting open-concept kitchen, dining, & living area designed for seamless everyday living. The thoughtfully designed layout provides single-level convenience & is handicap accessible ensuring comfort & functionality for all. An attached, generously-sized garage offers ample storage & workspace. Situated on a large landscaped lot in a prime in-town location, this home is tucked away on a quiet cul-de-sac just 1 block from the elementary school. The adjacent lot is also available (R3094156), presenting a rare opportunity to expand your outdoor space or secure an over-size in-town property. A wonderful blend of location, layout & lifestyle!
