

Whitehorse North Yukon

\$1,299,000

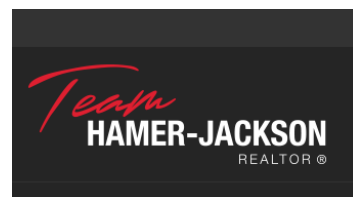

Discover one of the Yukon's most unique country properties, located just 20 minutes from Whitehorse at the base of breathtaking Pilot Mountain. Designed to maximize natural sunlight, energy efficiency, and year-round comfort, this exceptional home is ideal for horse enthusiasts, outdoor adventurers, or anyone seeking a peaceful rural lifestyle. The main home features a spacious primary bedroom, office or second bedroom, loft, and an open-concept living area warmed by a high-efficiency wood stove. Quality craftsmanship is evident throughout with custom cabinetry, concrete countertops, custom millwork, and premium wood finishes. A spacious crawlspace provides excellent storage and utility space. Outside you'll find a high-efficiency solar system, fenced and electrified horse pasture with heated water troughs, sheds, and a guest cabin with power. A truly one-of-a-kind Yukon property that must be experienced in person. (id:6769)
