Welcome to your year-round alpine escape! This 3-level ski-in/ski-out cabin offers the ultimate in mountain living, with features perfect for both personal use and vacation rental income. Step inside the main entrance to a spacious mudroom—ideal for storing ski and snowboard gear. This level includes two comfortable bedrooms and an open hallway that overlooks the vaulted living room below. Above is a bonus 350 sqft attic space. On the main level, you'll find a bright and inviting open-concept layout with a cozy gas fireplace, soaring ceilings, and expansive windows. The kitchen and dining area flow seamlessly for entertaining, and the primary bedroom with a full bathroom provides main-floor convenience. The lower level is made for relaxation and flexibility, with two more bedrooms, a half-bath, a large family-sized sauna with a shower, and a bonus workshop space that includes laundry. There is also a rough-in for a small kitchen—ideal for a future suite or rental unit. The home features forced-air electric heating and baseboard heaters, all connected to Wi-Fi for remote control. Enjoy apres-ski evenings on your covered deck, complete with a built-in hot tub overlooking the quiet, snow-covered landscape. Fire-smart and cleared of trees for summer safety, this property is a true four-season haven. Whether you're hitting the slopes, hiking nearby trails, or soaking in the mo...
