A well-established, family-owned convenience and food store located in a busy residential area of Penticton. The store has demonstrated consistent year-over-year growth and is primed for significant sales expansion with the nearby elementary school adding grades 6 and 7 under the newly revamped schooling system in Penticton. With the current owners retiring, this business presents an excellent opportunity for someone to step in and start reaping the rewards of a well-run and thriving operation. Business Only. (id:6769)
