Black Mountain

\$1,079,000

Imagine... Owning a beautiful new family home and having a FULL three bedroom suite with separate yard to pay your mortgage! You can have the home you want without the stress of making those huge payments. With another three bedrooms up and an open plan you have lots of room to live work and play! There is plentiful storage so you can live comfortably and in style enjoying the convenience of one level living. Plus you also have your own laundry separate from the suite and some extra storage space downstairs. You will LOVE the privacy of a home on a huge lot with minimal maintenance! The lot affords you a lot of room to park an R.V or extra cars too. However the custom driveway is so nice... You may not want to park on it! The location is fantastic with great schools, hiking and golfing nearby but you are just 12 minutes from downtown or the airport. In winter you are also 30 minutes from the chairlift at big white! But no matter how far you wander, you will always yearn to come home. This is a special property that anyone would be proud to call home with so many upgrades and update this is truly a home you deserve. Come take a look and who knows.. Maybe this time next year you could be sat on your deck with mountain views enjoying happy hour stress free! Does a high quality home in a great area with a super low cost of living sound like something you would love? Book you...
