Main North

\$4,790,000

This is a 100% leased investment property with the oldest 5 year renewable lease being 2.5 years old with well established, long term tenants. The lease rates start at \$18.00 per foot and have built in lifts. It has had all the roof top units replaced, most of the roofs have been replaced and the rest has been very well maintained. It's an investment that starts paying dividends instantly. An additional 2000' apartment on top of building 2 could be easily converted into additional revenue.
