Lake Country East / Oyama

\$1,349,999

This original-owner three-bedroom home near Wood & Kalamalka Lakes offers both a desirable location and sweeping views. Set on a rare 0.618-acre corner lot, the home blends timeless elegance with thoughtful design. A striking metal green roof, crisp white siding and graceful curb appeal frame a wraparound driveway, covered front porch and carport, while a second driveway leads to a substantial 1,000 square foot detached workshop and multiple garages, offering abundant space for vehicles, recreational toys or an RV. Crafted by Harmony Homes, the interior is equally impressive. The main level features hardwood flooring, wide hallways and accessible doorways, creating an airy and open atmosphere. The primary bedroom opens to a west-facing deck that wraps around to the kitchen, an ideal setting for sunset entertaining and indoor-outdoor living. Designed with versatility in mind, the walkout lower level includes a secondary entrance, allowing for conversion into a one-bedroom suite, perfect for extended family, guests, or a home-based business, while a spacious mechanical room accessed from the garage can be securely locked off for storage. Outdoors, a fenced lawn and irrigated grounds form a private oasis rich with mature ponderosa pines, fruit trees, grapevines, a greenhouse and raised garden beds. The property is serviced by a well with no water restrictions and no water taxes...
