With 2,231 sq.ft. of living space, this 5-bedroom, 2-bathroom home is ideal for starter families or savvy investors. The layout is highly versatile, configure it as a 3-bedroom main home with a 2-bedroom suite or as a 4-bedroom main home with a 1-bedroom suite, giving you options to suit your needs. Take in the mountain and valley views, enjoy the parks and trails at your doorstep,...
