

1561 Cabernet Court West Kelowna British Columbia

Lakeview Heights

\$1,898,000

Custom-designed and built by Endesa Homes, this distinctive residence was created to take full advantage of its generous lot while enjoying lake, city and mountain views. The moment you enter, soaring ceilings, oversized windows and a dramatic floor-to-ceiling stone fireplace establish the scale and character of the home. The chef's kitchen pairs premium appliances with custom cabinetry, a stylish wine bar and a full spice kitchen and pantry with direct backyard access, creating an exceptional layout for both everyday living and entertaining. A conveniently located main-floor guest bedroom and full bathroom complete this level. Upstairs, a bright lounge leads to the home's showpiece: an impressive primary retreat with a private view terrace, spa-inspired ensuite and fully customized walk-in closet. Two additional bedrooms, including one with its own ensuite, another full bathroom and a spacious laundry room complete this level. The newly finished backyard features fresh landscaping with grass and rock, with room to add a pool if desired. A triple-car garage provides excellent parking and storage. Minutes from Mission Hill Winery, Okanagan Lake, Mount Boucherie and some of West Kelowna's best trails, this is a home that must be experienced in person to fully appreciate its custom design, views and attention to detail.
