Freedom awaits.... Can you imagine waking up and walking over to the beach or swimming pool for your morning swim? Perhaps you prefer a workout. Maybe a game of pickleball? Welcome the award winning lakeshore community of West Harbour. Offering you a lifestyle like no other on the sunny & tranquil shores of Lake Okanagan but just minutes from downtown Kelowna. Canada's fastest growing vibrant downtown core. Step inside your designer home and enjoy a very practical lay-out complimented by quality finishes, tasteful decor and some thoughtful extras that you will appreciate more the longer you live here. Step out onto your deck and enjoy some shade on a hot Okanagan summer's day. Have a glass of wine with friends or just relax reading a book. West Harbour life means you can do as little or as much as you want, when you want, however you want to! It's truly a lifestyle of freedom. Most of the owners are locals who have made the decision to down-size their home and up-size their quality of life. But if you live out of town this would be an amazing second home in a community where you will be welcomed. There are no transfer taxes, no vacant property taxes. But don't just buy a new home this time... Embrace an authentic feeling of freedom with a carefree lifestyle that YOU deserve! (id:6769)
