

Whitehorse Yukon

\$749,000

The custom-built 4-bedroom, 3-bathroom home you've been waiting for is now available in beautiful Copper Ridge. Your family will fall in love with everything 157 Falcon Dr has to offer. Here's a closer look: The home has nearly 2,600 sq ft of living space on an 8,500 sq ft fully fenced lot. Outside is a double garage, wide driveway, RV parking, easy access to the backyard, two-tiered deck, shed, beautifully landscaped grounds, and a newer roof. The main level is bathed in sunlight and includes a primary suite with a full ensuite and deck access. The kitchen is bright and has newer appliances and a double cast-iron sink. The large living and dining area showcases hickory flooring and new electric fireplace. Also on the main floor are two additional bedrooms and a full bath. The walkout lower level is so cozy with a new Blaze King wood stove, large rec room, bedroom, full bath, flex room, mudroom, and extra storage. There are too many upgrades/features to mention! Book now to view! (id:6769)
