VIEWS OF KALAMALKA AND WOOD LAKE! Experience breathtaking views of Kalamalka and Wood Lake from this custom-built walk-out rancher, ideally located just minutes from beaches, walking trails, biking paths, and a public boat launch. Start your mornings with coffee overlooking the orchards and sunrise, spend afternoons relaxing poolside in your private backyard oasis, and end the day taking in spectacular sunsets over both lakes from the expansive upper deck. Designed for both comfort and entertaining, this quality-built home offers an open-concept layout with high ceilings, large windows, and an abundance of natural light throughout both levels. Panoramic lake and mountain views create a stunning backdrop from nearly every main living space. The lower level was previously operated as a successful Airbnb for two seasons and offers excellent flexibility for guests, extended family, or potential income opportunities. Meticulously maintained and exceptionally clean, this home shows beautifully and offers the perfect blend of luxury, recreation, and Okanagan lifestyle living. Complete with a triple-car garage and plenty of space for vehicles, boats, and outdoor toys. (id:6769)
