

15896 Claridge Drive Lake Country British Columbia

Lake Country East / Oyama

\$1,525,000

Stunning lakeside living just steps from Kalamalka and Wood Lake in Lake Country. Built in 2021, this contemporary home offers exceptional upgrades and breathtaking lake views throughout. The open-concept main living area features soaring windows and a gas fireplace with a custom tiled feature wall. Enjoy approximately 1,000 sq. ft. of covered deck space with epoxy coating, glass railings, an outdoor kitchen, and a natural gas fire-table—perfect for year-round entertaining with unobstructed views of Kal Lake. The chef's kitchen includes double skylights, wall ovens, a gas range, and custom two-toned cabinetry. The main-floor primary suite offers a walk-in closet and luxurious 5-piece ensuite with lake-view soaker tub and dual sinks. A second bedroom or office and powder room complete the main level. Downstairs features a one-bedroom in-law suite boasting lake views, plus an additional bedroom and flexible bonus space ideal for a fifth bedroom, media room, or gym. In-floor heat roughed in, epoxy-coated decks and garage, Control-4 smart home system, and a mudroom with garage access complete this thoughtfully designed home. A rare blend of modern luxury and lakeside lifestyle. (id:6769)
