 West Kelowna Estates  
**\$1,059,000**

This stunning 3,200 sq. ft. family home offers breathtaking lake, city, and valley views! Scott Crescent is a very quiet street! This one owner, custom built home features lots of recent upgrades! Bright and spacious, the open-concept great room is filled with natural light and features an award winning electric fireplace, with the option to reinstall the original gas inset. The kitchen boasts stainless steel appliances, an eating bar, and a walk-in pantry, while the dining area opens to a front deck through garden doors. The beautiful master suite includes a private ensuite, and the large laundry room on this level adds extra convenience. The lower level features a sauna, perfect for relaxation. Outside, the huge partially covered deck provides incredible panoramic views. The private 0.57-acre lot is designed for low-maintenance living, with a water feature, a natural gas fire pit set on a paver stone patio with pergola, and drip irrigation for flower beds. There is a lovely creek siding the property. A double-car garage and ample driveway space ensure plenty of parking. Located just minutes from downtown Kelowna, Okanagan Lake, shopping, and schools, this home is also steps away from hiking and biking trails. Don't miss the chance to enjoy the best of Okanagan living! (id:6769)
