

9700 Santina Road 16 Lake Country British Columbia

Lake Country North West

\$859,900

This exceptional modern townhome is thoughtfully designed with high-end finishes and premium features throughout. The chef-inspired kitchen boasts a full suite of KitchenAid appliances, including a French door refrigerator, a gas cooktop with an electric oven, a built-in microwave, a dishwasher, and a convenient beverage fridge. Enjoy year-round comfort with energy-efficient Navien on-demand hot water, boiler heating, and a dedicated A/C unit for cooling. The elegant white stone electric fireplace adds warmth and style to the living area. The primary suite offers a spa-like en-suite with a skylight and soft under-cabinet lighting. Outdoor living is unmatched with three spacious decks: an east-facing deck with peek-a-boo views of Kalamalka Lake perfect for morning coffee, a large south-facing deck with glimpses of Wood Lake--plumbed and ready for a hot tub--and a third deck off the entry for added outdoor space. Additional highlights include a rough-in for a central vac, two oversized garage stalls with built-in storage, and access to a beautifully landscaped common garden area. Ideally located near Kelowna International Airport, Lake Country amenities, scenic walking and biking trails, and just one kilometre from a brand-new RV storage facility. This home offers a rare combination of luxury, functionality, and convenience in one of the Okanagan's most desirable communities. ...
