

Whitehorse Yukon

\$584,900

This lovingly cared for 2 bedroom bungalow offers just under 1,200 sq ft of smart, move-in-ready living with high ceilings, real hardwood floors, and a bright open concept layout. The kitchen features brand new appliances, two breakfast bars, ample counter space, built-in storage, and a one of a kind island crafted from Yukon heritage recycled lumber, with a sunny breakfast nook overlooking the fully fenced, tree lined backyard. Both bedrooms share a full bathroom, and recent upgrades include a newer roof, exterior doors, fresh interior paint, and a fully resealed crawlspace with a newer sump pump. Heated and cooled with an efficient Mitsubishi heat pump, this home is complete with a private back deck perfect for morning coffee or quiet evenings - call for the info package and to book your private viewing.
