West Kelowna Estates

$829,900

Tucked away in a peaceful, forested setting in desirable West Kelowna Estates, this one-of-a-kind home offers privacy, character and beautiful lake views. Situated on a generous lot, this 3-bedroom, 3-bathroom home is anything but cookie-cutter, with unique architectural details, a sunken living room featuring vaulted ceilings and a cozy wood-burning fireplace. Large windows bring the outdoors in, filling the home with natural light and offering views of the surrounding trees and wildlife. Enjoy your morning coffee in your private HotTub watching the birds or simply taking in the peaceful surroundings. Fully fenced back yard for the furry family member. Thoughtful updates complement the home's original character, while the lower level offers excellent potential for extended family, guests or a summer kitchen. An oversized double garage provides plenty of room for vehicles, storage and recreational gear. A truly special property for nature lovers and those who appreciate a home with personality, privacy and a setting that feels like a retreat, yet remains close to everyday amenities. (id:6769)
