Luxury meets everyday comfort in this Coventry Homes masterpiece, complete with a SEPARATE ENTRANCE that offers flexibility for the future. From the moment you walk in, 9' ceilings create an open & inviting atmosphere. The quartz-topped kitchen, designer cabinetry, & ceramic tile backsplash blend beautifully into the dining nook & great room, setting the stage for family dinners, weekend gatherings, and cozy evenings in. Upstairs, the primary bedroom becomes your personal retreat with a spa-inspired 5-piece ensuite featuring dual sinks, a soaker tub, a stand-up shower, & a walk-in closet that makes everyday living feel a little more indulgent. Two additional bedrooms provide space for loved ones or guests, while the bonus room & upstairs laundry add comfort & convenience to daily routines. Backed by the Alberta New Home Warranty Program, this is more than a home – it's a place to build a life filled with connection, comfort, & moments you'll look forward to every day. *Some Photos Virtually Staged* (id:6769)
