

1621 9 Street Salmon Arm British Columbia

SE Salmon Arm

\$1,499,000

Elevated in one of Salmon Arm's most desirable neighbourhoods, this custom five bedroom, four bathroom residence blends refined design with sweeping lake and mountain views. Fully landscaped and irrigated grounds, concrete pads with drainage, raised garden beds, a greenhouse, and a heated finished garage reflect thoughtful planning throughout. Inside, 11-foot ceilings and expansive windows frame panoramic views of Shuswap Lake. The Great Room flows into a gourmet kitchen anchored by a nine foot quartz island, professional appliances, and upgraded lighting. Open living and dining areas extend to upper and lower decks with natural gas outlets and an electronic patio screen, creating seamless indoor-outdoor living. The primary suite offers heated ensuite floors and direct deck access. On-demand hot water recirculation, three stage water filtration (interior and garden), enhanced sound separation, and upgraded lighting ensure comfort and efficiency. The walkout lower level includes a legal income suite netting \$2,500 per month, with separate heat pump and quality appliances, abundant storage, and a custom 10 foot x 10 foot shed with nine foot ceilings and a black metal roof. A 12KW solar system (24 & 500W panels with Enphase micro-inverters), 8500W backup generator, 50-amp EV charging, dual high-efficiency climate systems, and smart controls deliver energy independence.
