This 4 bedroom 2 bathroom home has had a bunch of updates to it and is now looking for a new owner to take it over the finish line. Upstairs this home has a large open concept living area and kitchen, with a bedroom that could make a great office space. There is also access out a sliding patio door to a spacious deck that overlooks green space. Downstairs are 3 more bedrooms and the primary suite having an en suite washroom and a large walk in closet. (id:6769)
