

1666 Lakestone Drive Lake Country British Columbia

Lake Country South West

\$1,925,000

Enjoy sophisticated Okanagan living in this tastefully designed walk-out rancher, where refined interiors seamlessly embrace spectacular outdoor living & expansive panoramic views of Okanagan Lake from almost every room. Enjoy resort-style amenities like no other, including 30+ km of hiking & biking trails, two private clubhouses (one with an elevator), luxurious pools, fitness facilities, pickleball courts, rooftop terrace & direct beach access. This impeccable home features an inviting open concept, perfect for entertaining, with large covered deck spaces capturing stunning southwest sunsets over the lake. A glass-enclosed, lake-view executive office provides an exceptional workspace, while the new high-end oversized hot tub with interchangeable jet packs awaits your evening soak on the lower patio. In the mornings, enjoy a stroll - coffee in hand, through your gardens as the sun peaks up over the mountain. A professionally installed & labelled dedicated boat buoy, securely anchored with two chains, was added in 2026 and is the last buoy permitted in the Lakestone community--just a short paddle from the beachfront dock. You won't get bored biking to wineries, artist studios, restaurants & local markets for farm-fresh eggs & produce from here! Dozens of golf courses are within a 15-30 minute drive, with an international airport just 15 minutes away. A rare opportunity to em...
