

169 Cliffview Drive Enderby British Columbia

Enderby / Grindrod

\$575,000

Welcome to this nicely updated home offering versatility, comfort, and a mortgage helper suite. Situated on a large, beautifully maintained lot, this property is perfect for gardening enthusiasts and those who appreciate outdoor space, all while enjoying scenic views. The main floor features two bedrooms, a spacious layout, and a bright living area. The updated kitchen is complemented by stainless steel appliances, and the main bathroom offers a convenient double vanity. Downstairs, you'll find a self-contained suite with newer laminate flooring, its own private patio, and separate living space, ideal for extended family or rental income. This home has seen many important updates, including a roof approximately 3 years old, newer tankless hot water on demand, new gutters, and vinyl windows replaced in 2005. Additional features include, two storage sheds, a well constructed deck built on concrete footings, a two-car carport beautifully landscaped and fenced back yard and plenty of additional parking Move-in ready with solid upgrades throughout, this property offers both lifestyle and income potential in a desirable setting.
