

1690 Travertine Drive Lake Country British Columbia

Lake Country South West

\$1,799,900

Lakestone Living at its finest with stunning views of the Okanagan from every window of this warm contemporary custom home. Nothing has been overlooked and this home must be seen in person to take in one of the best lake views in Lakestone. The main floor features a large entertaining floor plan opening onto the deck through massive nano doors. Also included on the main is a high end kitchen, butlers pantry, powder room, and laundry / mud room. The master retreat features large windows to take in all the lake views with access to the patio, a large ensuite, and beautiful walk in closet. In the well appointed lower level you will find another large family room with large windows taking in the lake views with enough room for a Grand Piano, a wet bar, a perfect sized office, a second master bedroom with ensuite, a third bedroom, full washroom, and lots of storage. Enjoy the Lake Club (Fitness Center, Outdoor Swimming Pool, 2 Hot Tubs, Outdoor Kitchen, Rooftop Terrace, Kayak & Paddle Board Storage) all ONLY STEPS FROM THE BEACH. This property features a beautifully landscaped private low maintenance yard where you can take in the lake views while entertaining from the private patio or hot tub. Lots of room for a pool if you desire. (id:6769)
